

**Brighton & Hove Pharmaceutical Needs Assessment
Supplementary Statement – July 2017**

This supplementary statement to the Brighton & Hove Pharmaceutical Needs Assessment is issued in accordance with Paragraph 6 (3) b ii) in Part 2 (3) of the NHS (Pharmaceutical Services) Regulations 2013.

The Pharmaceutical Needs Assessment was issued on 30th March 2015 and a Supplementary Statement was issued on November 19th 2015. The Health and Wellbeing Board has issued this supplementary statement to show the NHS England approved changes to pharmaceutical services in Brighton & Hove since 19th November 2015. It is the view of the Health and Wellbeing Board that these changes to the availability of pharmaceutical services is relevant to the granting of applications referred to in the NHS Act 2006 and the Health and Wellbeing Board is satisfied that a revised PNA would be a disproportionate response at this point, as a fully updated PNA will be published in April 2018.
