

Protocol between the Brighton & Hove Strategic Partnership and the City Sustainability Partnership – draft 3

Both partnerships agree that:

- The City Sustainability Partnership is the sustainability arm of the Brighton & Hove Strategic Partnership (BHSP) and will help it develop and implement its sustainability policies within the family of partnerships. It will also advise and assist the BHSP and its members on sustainability issues.
- The City Sustainability Partnership will work closely with other policy partnerships (the Stronger Communities Partnership and the City Inclusion Partnership) to ensure that sustainability, engagement and equalities are applied as consistently as possible within the family of partnerships.
- The City Sustainability Partnership will have a representative on the Brighton & Hove Strategic Partnership.
- The City Sustainability Partnership will support the monitoring and reporting back annually on the sustainability record of the Brighton & Hove Strategic Partnership's Sustainable Community Strategy, within the constraints imposed by its limited resources to do so.
- The City Sustainability Partnership will support other performance reports relating to progress against the Sustainable Community Strategy indicators, where it is able to do so.
- The City Sustainability Partnership will be responsible for taking forward relevant sections of the Sustainable Community Strategy as part of its ongoing work to advance sustainability.
- The City Sustainability Partnership will work with the Public Service Board, as the delivery arm of the Brighton & Hove Strategic Partnership, to further develop the importance of sustainability within the City Performance Plan.
- The Brighton & Hove Strategic Partnership will incorporate all the key objectives of the city's One Planet Framework, Climate Change Strategy and Biosphere Reserve bid into its work.
- The Brighton & Hove Strategic Partnership agrees to promote these and the wider work of the City Sustainability Partnership to other city, regional and national bodies.
